LOCAL FISHING

Lake Michigan

The big "unsalted" lake is home to salmon, steelhead, brown trout, and lake trout.

Hamlin Lake

This 5,500 acre recreational lake just north of Ludington is great for walleye, perch, bluegill, pike, muskie, plus small and large-mouth bass.

Pere Marquette River

Trout and steelhead are the most popular varieties found in this 66-mile river.

Ice Fishing

During the winter, both Hamlin and Pere Marquette lakes are favorite places for ice fishing. To make it worth your while, enter a local tournament to win big money!
