

FIND YOUR INNER PICASSO

Think you can't paint? You may be pleasantly surprised to find out how easy it is to create your very own masterpiece. Painting

Photo by Inspired Parties

parties are a popular activity, especially here in the Ludington area. Your teacher will guide you through the steps and you end up with a beautiful painting! It may be a cardinal, a lighthouse, the moon, or a pretty landscape. Some parties are held in a studio, while others could be held in a restaurant or local business. Join a class that's already scheduled or get a group of friends together for your own private class. Food and beverages are sometimes included to make it even more fun.

While in Ludington, be sure to visit one of the smaller art galleries throughout town. You'll truly find some one-of-a-kind treasures and unique items from talented local artists. Visit the Ludington Area Center for the Arts where they have exhibits, workshops, performances, classes, and concerts throughout the year. ☺

Mark your calendars for Ludington's summer art fairs, held in Rotary Park. The West Shore Art Fair will be held July 6 & 7, and the Gold Coast Art Fair is August 10 & 11, 2019.
