

A Traveler's Dream!

Welcome to Ludington! There's enough adventure here to fill a lengthy vacation -- or a lifetime -- should you decide to make Ludington your home.

There are dozens of nearby day-trip destinations with amazing scenery, fun shopping, unique dining, and world-famous attractions. Discover Pentwater and the Silver Lake Sands Dunes to the south, or the popular M-22 scenic highway and the Sleeping Bear Dunes National Lakeshore to the north. You can even take a shortcut to Wisconsin aboard Ludington's S.S. Badger carferry, offering relaxing four-hour cruises across Lake Michigan daily from May-October.

For a truly epic adventure, Ludington is the ideal gateway to the 1,100-mile Lake Michigan Circle Tour, one of the most scenic routes in America. The tour hugs the Lake Michigan shoreline for much of the distance through Michigan, Wisconsin, Illinois, and Indiana. Visit the Lake Michigan Circle Tour website for more information.
