

## PET FRIENDLY

If you're visiting Ludington, by all means, bring your dog! We are a pet friendly town, with many places for your dog to walk, run, and swim. Both Buttersville and Summit parks have beaches where pets can frolic in Lake Michigan. Downtown Ludington area has a small beach area at Loomis Street boat launch, and many businesses place water bowls outside their shops. Central Bark, located behind Cartier Park, has a fenced-in area for both large and small dogs and is a great place for them to run and meet new friends! Spend time with your pet and get some exercise at the Ludington State Park, which welcomes your leashed pet on their trails and in their campgrounds.
